**MIPCOM 2011**  
**October 3-6**  
**Cannes, France**

**Welcome to Australia!** This booklet provides a listing of the Australian companies doing business at MIPCOM 2011.

We work across all genres of screen content creation including children, documentary, drama, animation, features and digital media.

Profiled here are Australian film, television and digital media production companies as well as distributors, sales agents, buyers and other specialist providers. Most of the companies listed in the guide will be based at the Screen Australia stand.

Screen Australia is the Federal Government's screen support agency. We develop and finance high-quality, innovative and commercially attractive projects designed with audiences in mind.
